

CARE FL Needs Your Help!

November 2, 2016

This year CARE FL will be hosting two Informational meetings which are open to the public. We need your help in informing the public of these events. To help getting the word out we are looking for volunteers who are willing to distribute poster to the business owners in your area along the Treasure Coast.

If you are interested in volunteering, please contact Kelly G. as soon as possible at careflinfo@gmail.com or [772-545-2532](tel:772-545-2532).

We hope you will join us to receive an update on CARE FL's achievements, the progress that has been made to stop this misguided project and recent federal court victory against All Aboard Florida. Due to the increase requests to hold additional informational meetings, CARE FL will be holding two meetings open to the public. Below are the meeting details:
