

CARE FL
CALL TO ACTION!
Jupiter Town Council Meeting
210 Military Trail, Jupiter, FL
Tuesday, March 7 at 7:00PM

The Jupiter Town Council will be considering a resolution in support of SB 386 High Speed Passenger Rail Safety Act which:

Provides minimum safety standards for high-speed passenger rail; provides certain requirements for railroad companies before operating a high-speed passenger rail system; requires a railroad company operating a high-speed passenger rail system to be solely responsible for all rail corridor improvements or upgrades relating to its operation and safety, etc.

Show the Jupiter Town Council your support by joining us at this meeting.

Treasure Coast communities should not have to pay for safety measures that are the responsibility of AAF!

If you are unable to attend this meeting, please email the Jupiter Town Council at towncouncil@jupiter.fl.us to show your support of the High Speed Passenger Rail Safety Act
